Canyon PSA is an organized youth soccer club for girls and boys. We play at a competitive level of soccer in The Coast Soccer League. Our club plays 10 months out of the year. Our players are from all over Southern California. In our desire to keep our fees down and allow players from various backgrounds to participate, we are seeking your support as a club sponsor. Your contributions will allow us to continue our efforts as well as assisting with Field Renovations, Field Equipment, Tournament Fees, Administrative and training costs throughout the year. We are a non-profit organization offering the highest level of training for young athletes in their desire to play soccer. PSA Soccer Club, Inc Tax Payer Id# 26-2179214
