

Canyon PSA - Inclement Weather Policy

Important Notice: In the event that any tournament is completely unplayable as described below, the following weekend is to be considered the "rain-out" dates. In the case of the 2009 Winter Cup, the tournament will be played on December 19-20, 2009 if it is not played as scheduled. If a team cannot participate the following weekend, refunds will be granted in accordance with the schedule below.

In the event of inclement weather, an act of terrorism, or an act of God which renders the tournament totally or partially unplayable, including any event which the Tournament Committee deems as creating unsafe conditions for the players and/or the fields, the Tournament Director reserves the right to modify all tournament rules to fairly and safely complete the tournament. The health and safety of players is our first priority. The Tournament also has an obligation to protect the fields and facilities that are being used for tournament play. All decisions will be based on field conditions with input from the Parks and Recreation departments and/or School Districts of the respective city having jurisdiction over fields. Field locations may be changed as required. Coaches are asked to be patient and remain flexible if this unfortunate situation arises.

In the event of the Tournament can not be completed for any reason as described above, the following rules will be applied:

- Matches that are at the half time or are in the second half will have the score stand as final.
- Matches that are in the first half of play may be shortened, kicks from the penalty mark, or other means, as determined by the Tournament Committee, may be used to determine winners.
- If the tournament is cancelled due to inclement weather prior to the start of competition, teams will be issued full or partial refunds according to the following schedule:
